About us

Clarendon Stud was purchased by Chris and Lucy Thompson in late August 2021.

The Pennine View Stallions that we bred and produced from our foundation stallion Z Concorde in Harrogate Yorkshire all moved down with our homebreds, a small herd of broodmares and of course a Shetland with his best friend, a very large 18hh dressage horse!

Chris and Lucy have over 6 decades between them working with and breeding horses. Chris focusing on Natural horsemanship and problem horses from the ground, Lucy from the saddle, where she competed to
3* British Eventing
